## Right Where You Want Me To Be by A Day To Remember

This is the first time in a long time		And not come back (8) (9)	fall	
That I've (1)	_ like coming home for the holidays	Everyone knows that you've got me		
Everybody's rushing about		Right where you want me to be		
Why won't anybody hear me out?		What (10) done this year		
My money's low		It was the (11) times		
So instead I'll write you a song everyone will know		(It was the worst times)		
Everyone will know		But we built (12) here		
So here it goes		Looking back on what we've (13)	(14)	
Can you hear me?		year		
I write so much and it (2) me sick		It was the best times		
That is all		(It was the worst times)		
About you		But we built something here		
Lets drop everything		Can you hear me?		
And not come back 'ti	I next fall	I (15) so much and it (16)	me sick	
Everyone knows (3) you've got me		That is all		
Right where you want me to be		About you		
I'm coming home for the bright lights		Lets drop everything		
And the long nights		And not (17) (18) 'til next fall		
Driving around with (4	4) friends in your parents car	Everyone knows that you've got me		
We're the ones who made it out		Right where you want me to be		
We're the ones who they'll (5) about		Can you (19) me? (can you hear me?)		
My money's low		I write so much and it (20) me sick		
So instead (6)	write you a song everyone will	That is all		
know		About you		
Everyone will know		Lets (21) everything (lets (22)		
So here it goes		everything)		
Can you hear me?		And not come (23) 'til next fall		
I write so (7) and it makes me sick		Everyone (24) that you've got me		
That is all		Right (25) you want me to be
