

Fill in the gaps

There's a shadow just bening me	Something but what's (13) and done?
Shrouding every step I take	Why can't we not be sober?
Making (1) promise empty	I (14) (15) to start (16) over
Pointing every finger at me	Why can't we (17) forever?
Waiting (2) the stalking butler	I just (18) to (19) this over
Whom upon the finger rests	I am (20) a (21) liar
Murder now the (3) (4) "must we"	I am (22) an imbecile
Just because the Son has come	I (23) only complicate you
Jesus, won't you fucking whistle	Trust in me and fall as well
Something but what's past and done?	I will find a center in you
Jesus, won't you (5) whistle	I will (24) it up and leave
Something but what's past and done?	Trust me
Why can't we not be sober?	Trust me
I (6) want to start this over	Trust me
Why can't we (7) forever?	Trust me
I just want to start this over	Trust me
I am just a worthless liar	Why can't we not be sober?
I am just an imbecile	I just want to start this over
I (8) only complicate you	Why can't we (25) forever?
Trust in me and fall as well	I (26) want to start this over
I will find a (9) in you	I (27) what I want
I will chew it up and leave	I want what I want
I (10) work to (11) you	I (28) I want
Just (12) to bring you down	I want (30) I want
Mother Mary, won't you whisper	
Something but what's past and done?	
Mother Mary, won't you whisper
