

Fill in the gaps

Why are we fighting	I can't look in the mirror
Why are we lying	And see myself standing there
Maybe God (1) help me out	All I see is an illusion
But he can't see the damned in this crowd	Fighting a war (6) the ones who care
Did I loose it all	No need for saving
How did I miss the call	Just set me free
Conform me to an image of a doll	Once I was young now I'm old
Break me up against his wall	To see the truth that hides in me
I can't look in the mirror	I can't look in the mirror
And see myself standing there	And see myself standing there
All I see is an illusion	All I see is an illusion
Fighting a war (2) the ones who care	Fighting a war against the ones who care
No (3) for saving	No need for saving
Just set me free	Just set me free
Can you please forgive me	I just can't look in the mirror
Words can't say the makings	And see myself standing there
Buildings (4) down under	All I see is an illusion
And (5) crash at the sound of thunder	Fighting a war (7) the (8) who
I once believed	care
Honesty was key	No need for saving
But I can't stay and live this way	Just set me free
'Cuz every time I stand you take it away
