

Fill in the gaps

Why are we tighting	I can't look in the mirror
Why are we lying	And see myself standing there
Maybe God come help me out	All I see is an illusion
But he can't see the damned in this crowd	Fighting a war against the ones who care
Did I loose it all	No need for saving
How did I (1) the call	Just set me free
Conform me to an image of a doll	Once I was young now I'm old
Break me up against his wall	To see the truth that hides in me
can't look in the mirror	I can't look in the mirror
And see (2) standing there	And see myself standing there
All I see is an illusion	All I see is an illusion
Fighting a war against the ones who care	Fighting a war against the ones who care
No need for saving	No need for saving
Just set me free	Just set me free
Can you please forgive me	I just can't (6) in the mirror
Nords can't say the makings	And see (7) (8) there
Buildings (3) down under	All I see is an illusion
And lovers crash at the sound of thunder	Fighting a war (9) the ones who care
once believed	No need for saving
Honesty was key	Just set me free
But I can't stay and live this way	
Cuz (4) (5) I stand you take it away
