

Fill in the gaps

Drag him out your window	I keep the wolf from the door
Dragging out the dead	But he (3) me up
Singing I (1) you	Calls me on the phone
Snakes and ladders flip the lid	Tells me all the ways (4) he's (5)
Out pops the cracker	mess me up
Smacks you in the head	Steal all my children if I don't pay the ransom
Knifes you in the neck	And I'll never see them again if I squeal to the cops
Kicks you in the teeth	Walking like giant cranes
Steel toe caps	And with my X-ray eyes I strip you naked
Takes all your credit cards	In a tight little world
Get up get the guns	Are you on the list?
Get the axe	Stepford wives who are we to complain?
Get the flan in the face	Investments and dealers
The flan in the face	Investments and dealers
The flan in the face	Cold wives and mistresses
Dance you fucker dance you fucker	Cold wives and Sunday papers
Don't you dare	City boys in (6) Class don't know they're born
Don't you dare	little
Don't you flan in the face	Someone (7) is gonna come and (8)
Take it (2) the love its given	it up
Take it with a pinch of salt	Born and raised for the job
Take it to the taxman	Someone always does
Let me back	I wish you'd get up get over
Let me back	Get up, get over and turn the tape off
promise to be good	I (9) the wolf from the door
Don't look in the mirror at the face you don't recognize	But he (10) me up
Help me, call the doctor, put me inside	Calls me on the phone
Put me inside	Tells me all the ways that he's gonna mess me up
Put me inside	Steal all my children if I don't pay the ransom
Put me inside	And I'll never see them again if I squeal to the cops
Put me inside	So I just go
