## If You Tolerate This Your Children Will Be Next by Manic Street Preachers

The future teaches you to be alone
The (1) to be afraid and cold
So if I can shoot rabbits
Then I can shoot fascists
Bullets for (2) brain today
But we'll forget it all again
Monuments put (3) pen to paper
Turns me into a gutless wonder
And if you tolerate this then (4) (5) will be next
And if you (6) then (8) children will be next
Will be next, (9) be next, will be next
Gravity keeps my head down
Or is it maybe shame
At (10) so young and (11) so vain
Holes in (12) head today
But I'm a pacifist
I've (13) Las Ramblas
But not with real intent
And if you tolerate (14) then your children (15) be next
And if you (16) this (17) (18) children (19) be next
Will be next, will be next, will be next
And on the street tonight an old man plays
With (20) cuttings of his glory days
And if you tolerate this then (21) children will be next
And if you (22) (23) then your (24) (25) be next
Will be next, will be next, will be (26)
