If You Tolerate This Your Children Will Be Next by Manic Street Preachers

The future teaches you to be alone
The present to be afraid and cold
So if I can shoot rabbits
Then I can shoot fascists
Bullets for your brain today
But we'll forget it all again
Monuments put from pen to paper
Turns me into a gutless wonder
And if you tolerate this then (1) children (2) be next
And if you tolerate (3) then your (4) will be next
Will be next, will be next, will be next
Gravity keeps my head down
Or is it maybe shame
At being so young and being so vain
Holes in your head today
But I'm a pacifist
've walked Las Ramblas
But not with real intent
And if you tolerate this then your (5) will be next
And if you tolerate (6) then your children will be next
Will be next, will be next, will be next
And on the street (7) an old man plays
With newspaper cuttings of his glory days
And if you tolerate this then your (8) (9) be next
And if you tolerate this then (10) children will be next
Will be next, will be next, will be next
