A Lot Like Me by The Offspring

Fill in the gaps

How does it feel?	Want it you got it, you're sorry you bought it, can't hide it
When you have it all?	Tell me who do you see
How can you live?	'Cause you (4) a lot like me
With nothing at all?	How can you take?
Where do you run?	Without giving back?
Where do you go?	Who do you see?
When the (1) in your truth	'Cause you look a lot like me
Are starting to show?	Want it you got it, you're sorry you bought it, you're sliding
And the rain comes	Want it you got it, you're sorry you bought it, can't hide it
And the world is on my head	Want it you got it, you're sorry you bought it, you're sliding
Crave the sun	Want it you got it, (5) (6)
But I can't get out of bed	you bought it, (7) hide it
How can you take?	And the (8) comes
Without giving back?	And the world is on my head
How does it work?	Crave the sun
When it's really cracked?	But I can't get out of bed
How does it feel	Want it you got it, you're sorry you bought it, you're sliding
And no wonder	Want it you got it, you're sorry you bought it, can't
Hearts and minds have been won	(9) it
How does it feel	Tell me who do you see
And I wonder	'Cause you look a lot like me
How it's all come undone	You look a lot (10) me
And the rain comes	You look a lot, you look a lot like me (oh)
And the (2) is on my head	You look a lot like me (oh)
Crave the sun	You look a lot like me (oh)
But I can't get out of bed	You look a lot like me (oh)
Want it you got it, you're sorry you bought it,	(You look a lot like me)
