	And now I'm never letting go
Well the sky broke in two	Tonight
Found you (1) alone	I got you where I (13) you
Then the room filled up with you	Closer I can tell you anything
And that song we (2) know	You're the song that I sing
That's when you (3) me with (4)	Tonight
eyes	Let the music (14) us over
And sent (5) down my spine	We'll (15) (16) forever, all is right
And (6) you (7) in my ear	Cause I got you (17) I want you
You said "I can feel it too"	Tonight, tonight
And then you pulled me into you	The (18) (19) (20)
Tonight	(21) away
I got you (8) I want you	But you and I
Closer I can tell you anything	No we won't be afraid
You're the (9) that I sing	Tonight
Tonight	I got you where I want you
Let the music take us over	Closer I can tell you anything
We'll fall into forever, all is right	Tonight
Cause I got you where I want you	Let the music (22) us over
Tonight	We'll fall (23) forever, all is right
Tonight	Cause I got you (24) I want you
Through all of (10) and history	Tonight
Well nothing's ever stock with me	I got you where I (25) you
But now I'm (11) on to you	Tonight
And I'm (12) on to	
The only thing I know
