

Where the blood just barely dried

Fill in the gaps

This Is Your Life (Live) by The Killers

	You know I'm on your side
Candy talks to strangers	Wait for something better
Thinks her life's in danger	No one behind you
No one gives a damn about her hair	Watching your shadows
It's lonely down on track street	You gotta be (4) (5) the story
She used to go by Jackie	Don't let it blind you
The cops, they'll steal your dreams	Rivers of shadow
And they'll kill your prayers	This feeling won't go
Take a number where the blood just (1) dried	And the sky is full of dreams
Wait for something better	But you don't (6) how to fly
No one behind you	I don't have a simple answer
Watching your shadows	But I know (7) I (8) answer
This feeling won't go	Something better
Crooked (2) keep tuning	This feeling won't go
Children, are you learning	Wait for it
Climatize but don't you (3) the plot	Wait for it
A history of blisters	Wait for it
Your brothers and your sisters	Wait for it
Somewhere in the pages we forgot	
Take a number Jackie
