Ten miles from town and I just broke down
Spittin' out smoke on the side of the road
I'm out here alone just tryin' to get home
To tell you I was wrong but you already know
Believe me I won't stop at nothin'
To see you so I've started runnin'
All (1) I'm after is a life full of laughter
As long as I'm laughing with you
I'm thinkin' that all (2) still matters is (3)
ever after
After the life we've (4) through
'Cause I know there's no life after you
Last time we talked, the night that I walked
Burns (5) an iron in the back of my mind
I must've been high to say you and I
Weren't meant to be and just wasting my time
Oh, why did I ever doubt you?
You know I would die here (6) you
All that I'm (7) is a life full of laughter
As long as I'm laughing with you
I'm thinkin' that all that still matters is love ever after

After the life we've been through
'Cause I know there's no life after you
You and I, right or wrong, there's no other one
After this time I (8) alone
It's hard to believe that a man with sight could be so blind
Thinkin' 'bout the better times, must've been outta my mind
So I'm runnin' back to tell you
All that I'm after is a life full of laughter
Without you God knows what I'd do
All that I'm after is a life full of laughter
As long as I'm laughing with you
I'm thinkin' that all that (9) matters is love ever
after
After the life we've been through (yeah!)
I know there's no life after you
I know there's no life after you
I (10) there's no life after you
I know there's no life after you
I know there's no life after you (yeah)
