

## Fill in the gaps

Well I saw fireworks from the freeway		The remedy is the experience	
And behind closed eyes I ca	nnot make them go away	This is a (6) liaison	
'Cause you were (1)	on the fourth of july, freedom	I say the comedy, is that it's serious	
ring		This is a strange enough new play on words	
Now (2)	on the surface it stinks	I said the tragedy is how you're gonna spend	
I said something on the surface		The rest of your nights with the light on	
Really kind of makes me nervous		So shine the light on all of your friends	
Who says that you deserve this		When it all amounts to nothing in the end	
And what kind of god would serve this?		I won't worry my life away (ee oooh)	
We will cure this dirty old disease		I won't worry my life away (ee oooh)	
Well if you gots the poison, I've gots the remedy		When I fall in love	
The remedy is the experience		I take my time	
It is a dangerous liaison		There's no need to hurry when I'm making up my mind	
I say the comedy, is that it's serious.		You can (7) off the sun	
This is a strange enough new play on words		But I'm still gonna shine and I'll tell you why	
I said that tragedy is how you're gonna spend		Because the remedy is the experience	
The rest of your nights with the light on		This is a dangerous liaison	
So shine the (3) on all of your friends		I say the comedy, is that it's serious	
When it all amounts to nothing in the end		This is a (8) enough new play on work	ds
I won't worry my life away (ee oooh)		I said the tragedy is how you're gonna spend	
I won't worry my life away	(ee oooh)	The rest of your nights with the (9) on	
Well, I heard two men talking on the radio		So shine the light on all of your friends	
In a cross fire kind of new (4	1) show	When it all amounts to nothing in the end	
Uncovering the ways to plan the next big attack		I won't worry my (10) away (ee oooh)	
Where they were counting down the ways to stab		I won't worry my life away (ee oooh)	
The brother in the be right back after this		I won't worry my life	
The unavoidable kiss, with the minty fresh		I won't worry my life away (ee oooh)	
Death breath sure to outlast	(5) catastrophe		
Dance with me			
'Cause if you gots the poisor	١		
I've gots the remedy
