

## Fill in the gaps

| (Ah ah ah)                                   |
|--|
| You must think I'm a fool                    |
| So prosaic and awkward and all               |
| D'you (1) you've got me down?                |
| D'you think I've never (2) out of this town? |
| Do I (3) too eager to please to you now?     |
| You don't (4) me at all                      |
| I can't turn it on, turn it off like you now |
| I'm not like you now                         |
| Now you're here                              |
| I bet you're wishing you could disappear     |
| I'm trying to be kind                        |
| I get the feeling you're (5) killing time    |
| You (6) down on me                           |
| Don't you look down on me now                |
| You don't know me at all                     |
| A slap in the face                           |
| In the face for you now                      |
| Just might do now                            |
| You're leaving so soon                       |
| Never had a chance to bloom                  |
| But you were so quick                        |

| 10 (7) your tune                 |
|----------------------------------|
| Don't (8) back                   |
| If I'm a weight around your neck |
| Cos if you don't need me         |
| I don't need you                 |
|                                  |
| I don't need you                 |
|                                  |
| Leaving so soon, soon            |
| Leaving, leaving so, soon        |
|                                  |
| You're leaving so soon           |
| Never had a chance to bloom      |
| But you were so quick            |
| To change your tune              |
| Don't (9) back                   |
| If I'm a weight around your neck |
| Cos if you don't need me         |
| I don't (10) you                 |
|                                  |
