

## Fill in the gaps

| (Ah ah ah)                                  |  |  |
|---|--|--|
| You must think I'm a fool                   |  |  |
| So prosaic and awkward and all              |  |  |
| D'you think you've got me down?             |  |  |
| D'you think I've (1) been out of this town? |  |  |
| Do I seem too (2) to please to you now?     |  |  |
| You don't (3) me at all                     |  |  |
| I can't turn it on, turn it off (4) you now |  |  |
| I'm not like you now                        |  |  |
| Now you're here                             |  |  |
| I bet you're wishing you could disappear    |  |  |
| I'm trying to be kind                       |  |  |
| I get the feeling you're just (5) time      |  |  |
| You look down on me                         |  |  |
| Don't you look down on me now               |  |  |
| You don't know me at all                    |  |  |
| A slap in the face                          |  |  |
| In the face for you now                     |  |  |
| Just might do now                           |  |  |
| You're leaving so soon                      |  |  |
| Never had a chance to bloom                 |  |  |
| But you were so quick                       |  |  |

| To change your tune  |                  |  |
|--|------------------|--|
| Don't (6) back   |                  |  |
| If I'm a (7)   | around your neck |  |
| Cos if you don't need me   |                  |  |
| I don't (8) you  |                  |  |
|  |                  |  |
| I don't need you   |                  |  |
|  |                  |  |
| Leaving so soon, soon  |                  |  |
| Leaving, leaving so, soo   | n                |  |
|  |                  |  |
| You're (9)   | so soon          |  |
|  |                  |  |

| But you were so quick To change your tune Don't look back If I'm a weight around you |                  |  |
