

Fill in the gaps

Think of life without music	Something has begun
Silence the (1) day long	Bring us all together
Ears (2) don't hear rhythm	Moving now as one
Words without a song	When the drums (12) calling
Just don't know what to do	The (13) you ir
How could I live out my days	Sounds of regal splendour
Would I be (3) up	Fit for a (15) and queen
Pushing my life away	Secrets of the universe
When the drums come calling	The (16) of life
The (4) you in	And the things (17) don't make sense
Sounds of regal splendour	All come clear
Fit for a (6) and queen	'Cause (18) (19) me up
Secrets of the universe	Music takes me up
The (7) of life	Yes, music (20) me up
And the things that don't make sense	Music takes me up
All (8) clear	Music takes me up
'Cause music takes me up	Music (21) me up
Music (9) me up	Music takes me up
Now (10) we have the music	Music takes me up
There's no turning round	Yes, music (22) me up
Captured in the moment	
All lost in the sound	
There's a (11) new freedom
