Fill in the gaps

You Oughta Know by Alanis Morissette

I want you to know, that I am happy for you	To be open wide, No
I wish nothing but the (1) for you both	And (18) time you speak her name
An older (2) of me	Does she know how you told me
Is she (3) like me?	You'd hold me until you died
Would she go down on you in a theater?	Till you died, but you're still alive
Does she speak eloquently	And I'm here, to remind you
And would she have your baby?	Of the mess you left when you went away
I'm sure she'd make a really excellent mother	It's not fair, to deny me
'Cause the love that you (4) that we made	Of the cross I bear (19) you gave to me
Wasn't (5) to make it (6) for you	You, you, you (20) know
To be open wide, no	
And every (7) you (8) her name	'Cause the joke that you laid in the bed
Does she (9) how you (10) me	That was me and I'm not gonna fade
You'd hold me until you died	As (21) as you close your eyes, and you know it
Till you died, but you're still alive	And every (22) I (23) my nails
And I'm here, to remind you	Down someone else's back I hope you feel it
Of the mess you left when you went away	Well, can you feel it?
It's not fair, to deny me	And I'm here, to remind you
Of the cross I bear that you (11) to me	Of the mess you left when you went away
You, you, you (12) know	It's not fair, to deny me
You seem very well, things (13) peaceful	Of the cross I bear that you (24) to me
I'm not (14) as well, I thought you should know	You, you, you oughta know
Did you forget about me, Mr. Duplicity?	And I'm here, to remind you
I hate to bug you in the (15) of dinner	Of the mess you (25) when you went away
It was a (16) in the face	It's not fair, to deny me
How quickly I was replaced	Of the cross I (26) that you gave to me
And are you thinking of me when you (17) her?	You, you, you oughta know
'Cause the love that you gave that we made	
Wasn't able to make it enough for you
