

## Fill in the gaps

I'm (1)	for my moment to come	Now we're tumbling down	
I'm (2)	for the movie to begin	We're spiralling	
I'm waiting for a revelation		Tied up to the ground	
I'm waiting for someone to count me in		We're spiralling	
Because now I only see my (3) in everything I		Did you (20) be a winner?	
touch		Did you wanna be an icon?	
Feel their cold (4)	on everything (5) I	Did you (21) be famous?	
love		Did you wanna be the president?	
Cold like (6)	(7)	Did you wanna start a war?	
skyline		Did you wanna have a family?	
Out of my (8)	but (9) in my eye	Did you wanna be in love?	
line		Did you (22) be in love?	
Now we're (10)	down	When we (23) in love	
We're spiralling		We're just falling	
Tied up to the ground		In (24) (25) ourse	lves
We're spiralling		We're spiralling	
I fashioned you from (11) and stone		We're tumbling down	
I (12) you in the image of myself		We're spiralling	
I gave you everything you wanted		Tied up to the ground	
So you (13)	never (14)	We're spiralling	
(15)	else		
But every (16)	I reach for you		
You slip through my finge	ers		
Into (17) sunli	ght		
Laughing at the things the	at I had planned		
The map of my world gets (18) as I sit here			
Pulling at the (19)	threads
