

Fill in the gaps

I'm waiting for my moment to come									
I'm waiting for the movie to begin									
I'm waiting for a revelation									
I'm (1)	'm (1) for someone to count me in								
Because	now	I	only	see	my	dreams	ir		
(2)			I	touch					
Feel their cold hands on everything that I love									
Cold like some magnificent skyline									
Out of my reach but always in my eye line									
Now we're tumbling down									
We're spiralling									
Tied up to the ground									
We're spiral	lling								
I (3)			у	ou from	jewels	and stone			
I made you in the image of myself									
I gave you everything you wanted									
So you would never know anything else									
But every tin	me I (4)		for y	ou/				
You (5) through my fingers									
Into cold sunlight									
Laughing at the things that I had planned									
The map of my world gets smaller as I sit here									
Pulling at the loose threads									

Now we're tumbling down							
We're spiralling							
Tied up to the ground							
We're spiralling							
Did you (6) be a winner?							
Did you wanna be an icon?							
Did you wanna be famous?							
Did you wanna be the president?							
Did you wanna start a war?							
Did you wanna have a family?							
Did you (7) be in love?							
Did you wanna be in love?							
When we fall in love							
We're just falling							
In (8) with ourselves							
We're spiralling							
We're tumbling down							
We're spiralling							
Tied up to the ground							
We're spiralling
