

Slipping Away by Moby

All that we needed was right	Focus on everything better today
The threshold is breaking tonight	All that I need and I never could say
Open to (1)_____ happy and sad	Hold on to people they're slipping away
Seeing the (2)_____ when it's all going bad	Hold on to this while it's slipping away
Seeing the sun when I can't really see	So long
Hoping the sun (3)_____ at least (4)_____ at me	So long
Focus on everything better today	Open to everything happy and sad
All that I need and I never could say	Seeing the (5)_____ when it's all going bad
Hold on to people they're slipping away	Seeing the sun when I can't really see
Hold on to this while it's slipping away	Hoping the sun will at least (6)_____ at me
All that we needed tonight	Focus on everything better today
Are people who love us and like	All (7)_____ I need and I never could say
I know how it feels to mean it	Hold on to people they're slipping away
Oh and we leave here, you'll see	Hold on to this (8)_____ it's slipping away
Open to everything happy and sad	Hold on to people they're slipping away
Seeing the good when it's all going bad	Hold on to people they're slipping away
Seeing the sun when I can't really see	
Hoping the sun will at least look at me
