

## Fill in the gaps

I (1) getting your heart	You (15) and see (16) the smoke clears
Trampled on to anyone, yeah	You live you learn, you love you learn
I (2) (3) around	You cry you learn, you lose you learn
naked	You bleed you learn, you scream you learn
In (4) living room, yeah	I I (oh oh)
Swallow it down, what a (5)	
(6) pill	Wear it out
It feels so good, swimming in your stomach	The way a three-year-old (17) do
Wait (7) the (8) settles	Melt it down
You live you learn, you (9) you learn	You're gonna (18) to eventually, anyway
You cry you learn, you lose you learn	The fire trucks are (19) up
You (10) you learn, you scream you learn	(20) the bend
I (11) off more	You (21) you learn, you (22) you learn
than	You cry you learn, you (23) you learn
You can chew to anyone	You (24) you learn, you ask you learn
I certainly do	You laugh you learn
I recommend (13) your foot	
In (14) mouth, at any time (oh)	
Feel free	
Throw it down	
The caution blocks you from the wind	
Hold it up, to the rays
