

Fill in the gaps

I recommend getting your heart			
Trampled on to anyone, yeah			
I (1) walking around naked			
In your living room, yeah			
Swallow it down, what a jagged little pill			
It feels so good, swimming in your stomach			
Wait until the dust settles			
You (2) you learn, you love you learn			
You cry you learn, you lose you learn			
You bleed you learn, you (3) you learn			
I recommend biting off more than			
You can chew to anyone			
I certainly do			
I recommend (4) your foot			
In (5) mouth, at any time (oh)			
Feel free			
Throw it down			
The caution blocks you from the wind			
Hold it up, to the rays			

You (6) and see when the smoke clears				
You live you learn, you love you learn				
You cry you learn, you lose you learn				
You bleed you learn, you (7) y			you learn.	
I I (oh oh)				
Wear it out				
The way a three-year-old would do				
Melt it down				
You're (8)	have to even	tually, a	inyway	
The fire trucks are coming up around the bend				
You live you learn, you	(9)	you lea	arn	
You cry you learn, you lose you learn				
You pray you learn, you ask you learn				
You laugh you learn
