

Fill in the gaps

I recommend getting your heart	You wait and see (5) the (6) clears
Trampled on to anyone, yeah	You live you learn, you love you learn
I recommend walking around naked	You cry you learn, you lose you learn
In your living room, yeah	You bleed you learn, you (7) you learn
Swallow it down, (1) a jagged little pill	I I (oh oh)
It feels so good, swimming in your stomach	
Wait until the (2) settles	Wear it out
You live you learn, you love you learn	The way a three-year-old would do
You cry you learn, you lose you learn	Melt it down
You bleed you learn, you scream you learn	You're (8) have to eventually, anyway
I recommend (3) off more than	The (9) trucks are coming up (10)
You can chew to anyone	the bend
I certainly do	You live you learn, you love you learn
I recommend sticking your foot	You cry you learn, you lose you learn
In (4) mouth, at any time (oh)	You pray you learn, you ask you learn
Feel free	You laugh you learn
Throw it down	
The caution blocks you from the wind	
Hold it up, to the rays
