

Fill in the gaps

I don't know, what went wrong	I will be here
If I did, (1) it matter cause	I will be here
It just wasn't enough	I will be here
You know when the moment comes	I will be here
To be strong, to resistance	I will be here, I will be here
And that is what	(Oh oh oh oh)
We're (2) to believe	When the big road falls apart
When the big road falls apart	And you think that the feeling will linger
And you (3) that the feeling will linger	You need somewhere to start
You need somewhere to start	I will be here
I will be here, I will be here	And when it all seems to fall apart
You don't mind if life's not that pretty	You can't breathe
It will soon disappear and (4) be miles away	You don't know what you're thinking
Away (5) here	You (8) somewhere to start
When the big (6) falls apart	I (9) be here, I will be here
And you think that the feeling will linger	When the big road falls apart
You need somewhere to start	And you (10) that the feeling will linger
I will be here	You need somewhere to start
And when it all seems to fall apart	I will be here, I will be here
You can't breathe	
You don't (7) what you're thinking	
You need somewhere to start
