Fill in the gaps

Head Over Feet by Alanis Morissette

	You are the bearer of (/)
I had no choice but to (1) you	things
You (2) your case time and again	You held your breath and the door for me
I thought (3) it	Thanks for your patience
You treat me like I'm a princess	You're the (8) listener that I've ever met
I'm not used to liking that	You're my best friend
You ask how my day was	Best (9) with benefits
You've (4) won me over in spite of me	What took me so long
And don't be alarmed if I fall head over feet	I've (10) felt this healthy before
Don't be surprised if I (5) you for all that you are	I've never wanted something rational
I couldn't help it	And I am aware now
It's all your fault	I am aware now
Your love is thick and it swallowed me whole	You've already won me over in spite of me
You're so much braver than I gave you credit for	And don't be alarmed if I fall head over feet
That's not lip service	Don't be surprised if I love you for all that you are
You've already won me over in spite of me	I couldn't help it
And don't be alarmed if I fall head over feet	It's all your fault
Don't be (6) if I love you for all that	
you are	
I couldn't help it	
It's all your fault
