

Always looking out

Lot of people spend their time just floating

Fill in the gaps

If I Had Eyes (Accoustic) by Jack Johnson

f I had (1) in the back of my head	We were victims together but lonely
would have (2) you that you looked good	You got hungry eyes that just can't look forward
As I walked away	Can't give them enough but we just can't start over
f you could've (3) to trust the hand that fed	Building with bent nails we're falling but holding
ou would've never been hungry	I don't wanna take up anymore of your time
But you (4) really be	Time, time, time
The more of this or (5) of this or is (6)	Sometimes time doesn't heal
any difference	No not all
Or are we just holding	Just (8) still
Onto the things we don't have anymore	While we fall
Sometimes (7) doesn't heal	In or out of love again I doubt I'm gonna win you bac
No not at all	When you got eyes like that
Just stand still	It won't let me in
While we fall	Always looking out
n or out of love again I doubt I'm gonna win you back	Always (9) out
When you got eyes like that	Always looking out
t won't let me in
