

Fill in the gaps

If I Had Eyes (Accoustic) by Jack Johnson

If I had (1) in the (2) of my head	We were (12) together but lonely
I would have told you that you looked good	You got hungry eyes that just can't (13) forward
As I walked away	Can't give them (14) but we just can't
If you could've tried to trust the hand that fed	(15) over
You would've never (3) hungry	Building with bent (16) we're falling but holding
But you never really be	I don't wanna take up anymore of (17) time
The more of this or (4) of this or is there any	Time, time, time
difference	Sometimes (18) doesn't heal
Or are we just holding	No not all
Onto the things we don't have anymore	Just (19) still
Sometimes (5) doesn't heal	While we fall
No not at all	In or out of love (20) I (21) I'm
Just stand still	gonna win you back
While we fall	When you got eyes (22) that
In or out of (6) again I (7) I'm gonna	It won't let me in
win you back	Always (23) out
When you got eyes (8) that	Always (24) out
It won't let me in	Always looking out
Always (9) out	
Lot of people spend (10) time (11)	
floating
