

Lot of people spend their time just floating

## If I Had Eyes (Accoustic) by Jack Johnson

if I had eyes in the back of my head	we were victims together but ionely
I would have (1) you that you looked good	You got hungry eyes that just can't look forward
As I walked away	Can't give them enough but we (7) can't start over
If you could've tried to (2) the hand that fed	Building with bent nails we're falling but holding
You would've (3) (4) hungry	I don't wanna take up anymore of your time
But you never really be	Time, time, time
The more of this or (5) of this or is there any	Sometimes time doesn't heal
difference	No not all
Or are we just holding	Just (8) still
Onto the things we don't have anymore	While we fall
Sometimes time doesn't heal	In or out of love again I doubt I'm gonna win you back
No not at all	When you got eyes (9) that
Just stand still	It won't let me in
While we fall	Always looking out
In or out of (6) again I doubt I'm gonna win you	Always looking out
back	Always (10) out
When you got eyes like that	
It won't let me in	
Always looking out
