And I'm on my way...

Fill in the gaps

Written In The Stars by Tinie Tempah & Eric Turner

(On)	•••
Written in the stars	(Yeah), I needed a change
A million miles away	When we ate we never (5) because we needed a
A message to the main (oh)	change
Seasons come and go	I needed a break
But I will never change	For a sec I even gave up believing and praying
And I'm on my way	I even done the legal stuff and was leaded astray
Let's go yeah!	Now (6) is the root to the evilist ways
You're listening now	But have you ever been so hungry that it keeps you awake
They say they ain't heard nothing like this in a while	Mate, now my (7) would leave them amazed
That's why they play my song on so many	Great, it feels like a long time coming, fam
(1) dials	Since the day I thought of that cunning plan
Cause I got more hits than a (2)	One day I had a dream I tried to chase it
child	But I wasn't going nowhere, running man!
When they see me everybody (brrrrrap's, brrrrrraps)	I knew that maybe someday I would understand
Man I'm like a young gun fully black Barrack	Trying to turn a tenner to a hundred grand
I cried tear drops over the massive attack	Everyones a kid that no-one cares about
I only make hits like I work with a racket and bat	You just have to keep (8) until they
Look at my jacket and hat	hear you out
So damn berserk	(Oh)
So down to earth	Written in the stars
I'm bringing gravity back	A million miles away
Adopted by the major I want my family back	A message to the main
People work hard just to get all their salary taxed	(Oh)
Look I'm just a writer (3) the ghetto	Seasons come and go
Like Malory black man!	But I will never change
Where the hells all the sanity at, damn!	And I'm on my way
I used to be the kid that no one cared about	
That's why you have to keep screaming	(Oh)
Til they hear you out	Written in the stars
(Oh)	A million miles away
Written in the stars	A message to the main
A million miles away	(Oh)
A message to the main	Seasons come and go
(Oh)	But I will never change
Seasons come and go	And I'm on my way
But I (4) never change
