And I'm on my way...

## Fill in the gaps

## Written In The Stars by Tinie Tempah & Eric Turner

(On)	
Written in the stars	(Yeah), I needed a change
A million miles away	When we ate we never took because we needed a change
A message to the main (oh)	I needed a break
Seasons come and go	For a sec I even gave up believing and praying
But I will never change	I even done the legal stuff and was leaded astray
And I'm on my way	Now (5) is the root to the evilist ways
Let's go yeah!	But have you (6) been so hungry that it keeps you
You're listening now	awake
They say they ain't heard nothing like this in a while	Mate, now my hunger (7) leave them amazed
That's why they play my song on so many different dials	Great, it feels like a (8) time coming, fam
Cause I got more hits than a (1)	Since the day I thought of that cunning plan
child	One day I had a dream I tried to chase it
When they see me everybody (brrrrrap's, brrrrrraps)	But I wasn't going nowhere, running man!
Man I'm like a young gun fully black Barrack	I knew that maybe someday I would understand
I cried tear drops over the massive attack	Trying to turn a tenner to a hundred grand
I only (2) hits like I (3) with a racket and	Everyones a kid that no-one cares about
bat	You just have to keep (9)
Look at my jacket and hat	(10) they hear you out
So damn berserk	(Oh)
So down to earth	Written in the stars
I'm bringing gravity back	A million miles away
Adopted by the major I want my family back	A message to the main
People work hard just to get all their salary taxed	(Oh)
Look (4) just a writer from the ghetto	Seasons come and go
Like Malory black man!	But I will never change
Where the hells all the sanity at, damn!	And I'm on my way
I used to be the kid that no one cared about	
That's why you have to keep screaming	(Oh)
Til they hear you out	Written in the stars
(Oh)	A million miles away
Written in the stars	A message to the main
A million miles away	(Oh)
A message to the main	Seasons come and go
(Oh)	But I will never change
Seasons come and go	And I'm on my way
But I will never change
