

Fill in the gaps

Let me stay
One (1) day
It would mean so much to me
I won't (2) a sound
I'll (3) hang around
I'll sit where the last one sat
But oh no
I'd never do that
Take my mouth as far as you can see
It stretches (4) than I care to think
Put me out of my misery
If I could keep it shut
I wouldn't be in this rut
With less (5) than a laboratory rat
Oh no
I'd never do that

You're a master of illusion
You say you do - but you don't
You think I will - I know I won't
When I see you sitting there
It sends a shock right through me
I never (6) an ordinary chair
Could have such poetry
I don't (7) your time
I haven't got the tact
I live above my means in fact
Oh no
I'd never do that
