Whatever you do, I'll do it too		
Show me everything and tell me how		
It all means something		
And yet nothing to me		
I can see there's so much to learn		
It's all so close and yet so far		
I see myself as (1) see me		
Oh, I just know there's something bigger out there		
I wanna know, can you show me		
I wanna know about these		
Strangers like me		
Tell me more, please show me		
Something's familiar about these strangers like me		
Every gesture, every move that she makes		
Makes me feel like never before		
Why do I have		
This growing need to be (2) her		
(Oh), (3) emotions I never knew		
Of some other world far beyond this place		

Beyond the trees, above the clouds			
I see before me a new horizon			
I wanna know, can you show me			
I wanna know about these strangers like me			
Tell me more, please show me			
Something's familiar	(4)	these strangers like me	
Come (5)	me now to see i	my world	
Where there's beauty beyond your dreams			
Can you feel the things I feel			
Right now, (6) you			
Take my hand			
There's a (7)	I need to I	know	
I wanna know, can you show me			
I wanna know about these strangers (8) me			
Tell me more, please show me			
Something's familiar about these strangers like me
