

Fill in the gaps

Whatever you do, I'll do it too
Show me (1) and tell me how
It all (2) something
And yet (3) to me
I can see there's so much to learn
It's all so close and yet so far
I see myself as people see me
Oh, I just (4) there's something bigger out there
I wanna know, can you show me
I wanna know about these
Strangers like me
Tell me more, please show me
Something's familiar about these strangers (5) me
Every gesture, every move that she makes
Makes me feel like never before
Why do I have
This growing need to be beside her
(Oh), these emotions I never knew
Of some other world far beyond this place

Beyond the trees, above the clouds
I see before me a new horizon
I wanna know, can you show me
I (6) know about these strangers like me
Tell me more, please show me
Something's familiar about these strangers like me
Come with me now to see my world
Where there's beauty beyond your dreams
Can you feel the (7) I feel
Right now, with you
Take my hand
There's a (8) I need to know
I wanna know, can you show me
I wanna know about these strangers like me
Tell me more, please show me
Something's familiar about these strangers like me
I wanna know
