

Fill in the gaps

No One Else Comes Close by Backstreet Boys

When we turn out the lights	And I (14) will, cuz in my (15) (oh
The two of us alone together	baby)
Something's (1) not right	No one else (16) (17) to you
But girl you know (2) I would never	No one makes me feel the way you do
Ever let another's touch, come between the two of us	You're so (18) girl to me
Cuz no one else will (3) take your place	And you'll (19) be eternally
No one else comes close to you	Every time I (20) you near
No one makes me feel the way you do	You always say the words I love to hear
You're so special (4) to me	Girl with just a touch you can do so much
And you'll (5) be eternally	No one else comes close to you
Every time I (6) you near	No one makes me feel the way you do
You always say the words I love to hear	You're so special girl to me
Girl (7) (8) a (9) you can	And you'll always be (21) (baby)
do so much	Every time I (22) you near
No one else comes close	You always say the words I love to hear
No one else comes close	Girl with (23) a touch you can do so much
No one else comes close	No one else (24) close
And when I (10) up to	No one else (25) close
The (11) of your head on my shoulder	No
You're my dream come (12) (oh yeah)	No one else comes close
Girl you know I'll always treasure	
Every kiss and everyday I'll love you (13) in every	
way
