

## Fill in the gaps

Listen, to the song (1) in my heart	All cause you won't
A melody I've start	Listen
But can't complete	Listen, I am alone at a crossroads
Listen, to the (2) (3) deep within	I'm not at home, in my own home
It's only beginning	And I (20) and tried
To find release	To say whats on my mind
Oh the (4) has come	You should have known
For my dreams to be heard	Oh now I'm done (21) you
They (5) not be (6) aside and	You don't know what I'm feeling
turned	I'm more (22) what, you (23) of me
Into your own	I followed the voice
All (7) you won't	You gave to me
Listen	But now I gotta find, my own
Listen, I am (8) at a crossroads	I don't know where I belong
I'm not at home, in my own home	But I'll be (24) on
And I (9) and tried	If you don't
To say whats on my mind	If you won't
You (10) (11) known	Listen!
Oh now I'm (12) you	To the song here in my heart
You don't (14) what I'm feeling	A melody I've start
I'm (15) than what, you made of me	But I will complete!
I followed the voice	Oh now I'm done believing you
You gave to me	You don't know (25) I'm feeling
But now I gotta find, my own	I'm more than what, you made of me
You should (16) listened	I followed the voice, you think you gave to me
There is someone (17) inside	But now I gotta find, my own
Someone I'd thought had died	My own
So long ago	
Oh I'm free now and my dreams to be heard	
They will not be (18) aside or worse	
Into (19) own
