

Fill in the gaps

There's people talking	I'm living life day to day
They talk (1) me	It's (8) really easy but it's ok
They know my name	Wake up, wake up
They think they know everything	On a saturday night
But they don't know anything	Could be New York
About me	Maybe Hollywood and Vine
Give me a dance floor	London, Paris maybe Tokyo
Give me a DJ	There's something going on anywhere I go
Play me a record	Tonight
Forget (2) they say	Tonight
Cause I need to go	Yeah, tonight
I need to get away tonight	People all around you
I put my makeup on a saturday night	Everywhere that you go
I try and make it happen	People all around you
Try to make it all right	They don't really know you
I know I make mistakes	Everybody watching like it's some kind of show
I'm living life day to day	Everybody's watching
It's (3) really (4) but it's ok	They don't (9) know you now
Wake up, wake up	And forever
On a saturday night	Wake up, wake up
Could be New York	On a saturday night
Maybe Hollywood and Vine	Could be New York
London, Paris (5) Tokyo	Maybe (10) and Vine
There's something going on (6) I go	London, Paris maybe Tokyo
Tonight	There's something going on anywhere I go
Tonight	Wake up, wake up
Yeah, tonight	On a saturday night
The cities restless	Could be New York
It's all around me	Maybe Hollywood and Vine
People in motion	London, Paris maybe Tokyo
Sick of all the same routines	There's something going on anywhere
And they (7) to go	l go
They need to get away	Tonight
Tonight	Tonight
I put my makeup on a saturday night	Yeah, tonight
I try and make it happen	
Try to make it all right	
I know I make mistakes
