

## Fill in the gaps

There's (1) talking	I'm living (15) day to day
They talk about me	It's (16) really easy but it's ok
They (2) my name	Wake up, wake up
They think (3) know everything	On a saturday night
But they don't know anything	Could be New York
About me	Maybe Hollywood and Vine
Give me a dance floor	London, Paris (17) Tokyo
Give me a DJ	There's something going on anywhere I go
Play me a record	Tonight
Forget (4) they say	Tonight
Cause I (5) to go	Yeah, tonight
I need to get away tonight	People all around you
I put my makeup on a saturday night	Everywhere that you go
I try and make it happen	People all around you
Try to make it all right	They don't really (18) you
I know I make mistakes	Everybody watching (19) it's some kind of show
I'm (6) life day to day	Everybody's watching
It's (7) really easy but it's ok	They don't (20) know you now
Wake up, wake up	And forever
On a saturday night	Wake up, (21) up
Could be New York	On a saturday night
Maybe Hollywood and Vine	Could be New York
London, Paris (8) Tokyo	Maybe Hollywood and Vine
There's something going on (9) I go	London, Paris (22) Tokyo
Tonight	There's (23) going on anywhere I go
Tonight	Wake up, wake up
Yeah, tonight	On a saturday night
The cities restless	Could be New York
It's all around me	Maybe Hollywood and Vine
People in motion	London, (24) maybe Tokyo
Sick of all the same routines	There's (25) going on anywhere
And they (10) to go	I go
They need to get away	Tonight
Tonight	Tonight
I put my (11) on a saturday night	Yeah, tonight
I try and (12) it happen	
Try to (13) it all right	
I (14) I make mistakes
