

(I'm not afraid yeah, to take a stand)
It's been a ride
(Everybody)
I guess I had to (come take my hand)
Go to that place
To get to this one (we'll walk this road together)
Now some of you (through the storm)
Might still be in that place (whatever weather, cold or warm)
If (1) trying to get out (just letting you (2) that)
(You're not alone)
Just follow me
(Holla if you feel that you've been (3) the same road)
I'll get you there
You can try and read my lyrics off of (4) paper
Before I lay them
But you won't take the sting out these words
Before I say them
Cause ain't no way
I'ma let you stop me from (5) mayhem
When I say them or do something I do it
I don't give a damn what you think
I'm doing this for me, so fuck the world
Feed it beans, it's gassed up if it thinks it's stopping me
I'ma be what I set out to be without a (6) undoubtedly
And all those who look down on me
I'm tearing down your balcony
No if ands or (7) don't try to ask him why or how can he
From Infinite down to the (8) (9) album
He's still shitting whether he's on salary, paid hourly

Until he bows out or he shits his bowels out of him
Whichever comes first, for better or worse
He's (10)\_\_\_\_\_\_ to the game, like a (11)

He's (10)	to the game, like a (11)	_ you for Christmas
His gift is a curse, (12)	the earth he's got the u	ırge
To pull his dick from the dir	t and fuck the whole universe	
l'm not afraid (l'm not afra	uid)	
To take a stand (to (13)_	a stand)	
Everybody (everybody)		
Come take my hand (com	ne take my hand)	
We'll walk this road togethe	er, through the storm	
Whatever weather, cold or	warm	
Just letting you know that, y	ou're not alone	
Holla if you feel that (you've	e been down the same road)	
Ok, quit playing with the sc	issors and shit and cut the crap	
I shouldn't have to rhyme th	nese words	
In the rhythm for you to kno	ow it's a rap	
You said you was king, you	lied through your teeth	
For that fuck your feelings		
Instead of getting crowned,	you're getting capped	
And to the fans, I'll never le	t you down again, I'm back	
I promise to never go back	on that promise	
In fact, let's be honest, that	last Relapse CD was ("ehhhh")	
Perhaps I ran them accents	s into the ground	
Relax, I ain't going back to	that now	
All I'm tryna say is get back	, (click-clack blaow!)	
Cause I ain't playing around	d	
There's a game called (14)	and I don't know h	IOW
I'm way too up to back dow	n	
But I think I'm still tryna figu	re this crap out	

Thought I had it mapped out but I guess I didn't

These fucking black clouds still follows me around

But it's time to (15) these demons
These motherfuckers are doing jumping jacks now!
I'm not afraid (I'm not afraid)
To take a stand (to take a stand)
Everybody (everybody)
Come take my hand (come (16) my hand)
We'll (17) this road together, through the storm
Whatever weather, cold or warm
Just letting you know that, you're not alone
Holla if you feel that you've (18) down the same road
And I just can't keep living (19) way
So starting today, I'm breaking out of this cage
I'm (20) up, I'ma face my demons
I'm manning up, I'ma hold my ground
I've had enough, now I'm so fed up
Time to put my life back together right now
It was my decision to get clean, I did it for me
Admittedly I probably did it subliminally for you
So I could come back a brand new me
You helped see me through
And don't even realise what you did, believe me you
I been through the ringer
But they can do little to the middle finger
I think I got a tear in my eye
I feel like the king of my world
Haters can make (21) with no stingers
And drop dead, no more beef flingers
No more drama from now on, I'm gonna promise
To focus solely on (23) my responsibilities as a father

This roof like my daughters and raise it

You couldn't lift a (25)\_\_\_\_\_\_\_ shingle lonely

Cause the way I feel, I'm strong enough to go to the club

Or the corner pub and lift the whole liquor counter up

Cause I'm raising the bar, I (26)\_\_\_\_\_\_ for the moon

But I'm too busy gazing at stars, I feel amazing and

I'm not afraid... (I'm not afraid)

To take a stand... (to take a stand)

Everybody... (everybody)

Come take my hand... (come take my hand)

We'll walk (27)\_\_\_\_\_\_ (28)\_\_\_\_\_\_ together, through the storm

Whatever weather, cold or warm

Just letting you know that, you're not alone

Holla if you feel that you've been down the same road
