

## Fill in the gaps

This was a triumph
I'm making a (1) here
HUGE Success
It's hard to overstate my satisfaction
Aperture Science
We do what we must (2) we can
For the good of all of us
Except for the ones who are dead
But there's no sense crying over every mistake
You just keep on trying until you run out of cake
And the science gets (3) and you make a neat gun
For the people who are (4) alive
I'm not even angry
I'm being so sincere right now
I'm being so sincere right now  Even (5) you broke my heart and killed me
Even (5) you broke my heart and killed me
Even (5) you broke my heart and killed me And tore me to pieces
Even (5) you broke my heart and killed me And tore me to pieces And threw every piece into a fire
Even (5) you broke my heart and killed me And tore me to pieces And threw every piece into a fire As they burned it hurt because
Even (5) you broke my heart and killed me And tore me to pieces And threw every piece into a fire As they burned it hurt because I was so happy for you!
Even (5) you broke my heart and killed me And tore me to pieces And threw every piece into a fire As they burned it hurt because I was so happy for you! Now these points of data
Even (5) you broke my heart and killed me And tore me to pieces And threw every piece into a fire As they burned it hurt because I was so happy for you! Now these points of data Make a wonderful line
Even (5) you broke my heart and killed me And tore me to pieces And threw every piece into a fire As they burned it hurt because I was so happy for you! Now these points of data Make a wonderful line And we're out of beta
Even (5) you broke my heart and killed me And tore me to pieces And threw every piece into a fire As they burned it hurt because I was so happy for you! Now these points of data Make a wonderful line And we're out of beta We're releasing on time

For the people that are still alive
Go ahead and leave me
I think I (6) to stay inside
Maybe you'll find someone else to help you
Maybe black mesa
That was a (7) (HA, HA)
Fat chance
Anyway this cake is great
It's so delicious and moist
Look at me still talking
When there's science to do
When I look out there it makes me glad
I'm not you
I've experiments to run
There is research to be done
On the people who are still alive
And believe me I am still alive
I'm doing science and I'm still alive
I (8) FANTASTIC and I'm still alive
While you are dying I'll be still alive
And when you're dead I'll be still alive
Still alive
Still alive
