

Chained down

Fill in the gaps

Back Against The Wall by Cage The Elephant

Tonight I'll (1) a look	Like a sittin' duck (12) waitin' for the fall
And try to find my face again	You know
Buried beneath this house	Yeah you got my back against the wall
My spirit screams and (2) again	Deep in the jungle
Outback a monster wears	Camouflaged by all the (13) leaves
A cloak of Persian leather	A hand holds up the sky
Behind the TV screen	While (14) I make my plea
I've (3) to my knees	The alter's callin'
I said you	But my (15) won't seem to stand
Got me (4) you want me again	Guess I'm a (16) scared
And I can't turn away	To face the man I am
I'm hangin' by a thread	I said you
And I'm feelin' like a fool	Got me where you (17) me again
I'm stuck (5) in between	And I can't turn away
The (6) of my yesterday	I'm hangin' by a thread
I wanna get away	And I'm feelin' (18) a fool
I need to get away	I'm stuck here in between
Blanket of silence	The shadows of my yesterday
Makes me (7) sink my teeth in deep	I wanna get away
Burn all the evidence	I need to get away
A fabricated disbelief	Now you know
Pull back the curtains	Yeah you got my (19) against the wall
Took a look into your eyes	Oh God
My tongue has now become	I ain't got no other (20) to hide
A platform for your lies	Chained down
I said you	Like a sittin' duck (21) waitin' for the fall
Got me where you want me again	You know
And I can't turn away	Yeah you got my back against the wall
I'm hangin' by a thread	Now you know
And I'm feelin' like a fool	Yeah you got my (22) (23) the
I'm stuck here in between	wall
The (8) of my yesterday	Oh God
I wanna get away	I ain't got no (24) (25) to hide
I need to get away	Chained down
Now you know	Like a sittin' duck just waitin' for the fall
Yeah you got my (9) against the wall	You know
Oh God	Yeah you got my (26) against the wall
I ain't got no (10) (11) to hide
