

Fill in the gaps

So long ago, I don't (1)	when	(Hey) Come on try a little	
That's when (2) say I lost my only friend		Nothing is forever	
Well they said she died easy of a broken heart disease		There's got to be something (13) th	ian
As I (3) through the cemetery trees		In the middle	
I seen the sun comin' up at the (4) at dawn		But me and Cinderella	
The (5) broken arm of human law		We put it all together	
Now it (6)(7)	such a waste	We can (14) it home	
She (8) had a pretty face		With one headlight	
So I wondered how she hung around this place		Well (15) place is old	
(Hey) (9) on try a little		It feels just like a (16) up truck	
Nothing is forever		I turn the engine, but the engine doesn't turn	
There's got to be something better than		Well it smells of cheap wine and cigarettes	
In the middle		This place is always such a mess	
But me and Cinderella		Sometimes I think I'd (17) to (18)	it
We put it all together		burn	
We can (10) it home		I'm so alone, and I feel just like somebody else	
With one headlight		Man, I ain't changed, but I know I ain't the same	
She said it's cold		But somewhere here in (19)	the
It feels like Independence Day		(20) walls of dyin'	
And I can't break away from (11)	parade	Dreams (21) her (22)	it must be
But there's got to be an opening		killin' me	
Somewhere here in (12) of me		(Hey, hey, hey) (23) on try a little	
Through this maze of ugliness and greed		Nothing is forever	
And I seen the sun up ahead		There's got to be something better than	
At the county line bridge		In the middle	
Sayin' all there's good and nothingness is dead		But me and Cinderella	
We'll run until she's out of breath		We put it all together	
She ran until there's nothin' left		We can drive it home	
She hit the end. it's just her window ledge		With one headlight
