

## Fill in the gaps

## Breakfast at Tiffany's by Deep Blue Something

| You'll say that we've got nothing in common         | You'll say that we've got (17) in commor            |
|---|---|
| No (1) ground to start from                         | No (18) t   |
| And we're falling apart                             | (20) from   |
| You'll say the world has come (2) us                | And we're falling apart                             |
| Our lives (3) (4) (5)                               | You'll say the world has come between us            |
| us  | Our lives have come between us                      |
| Still I (6) you just don't care                     | Still I know you just don't care                    |
| And I said, "What about (7) at                      | And I said, "What (21) Breakfast at Tiffany's?      |
| Tiffany's?"   | She said, "I think I (22) the film, yes             |
| She said, "I think I (8) the film, yes              | and as I recall, I think, we both kinda liked it."  |
| and as I recall, I think, we both (9) liked it."    | And I said, "Well, that's the one thing we've got." |
| And I said, "Well, that's the one thing we've got." | And I said, "What about Breakfast at Tiffany's?"    |
| I see you, the only one who (10) me                 | She said, "I think I remember the film, yes         |
| And now (11) (12) see through me                    | and as I recall, I think, we (23) kinda liked it."  |
| I guess I was wrong                                 | And I said, "Well, that's the one thing we've got." |
| So what now? It's plain to see we're over           | And I said, "What about Breakfast at Tiffany's?"    |
| And I hate when (13) are over                       | She said, "I think I (24) the film, yes             |
| When so much is left undone                         | and as I recall, I think, we both kinda liked it."  |
| And I said, "What (14)                              | And I said, "Well, that's the one thing we've got." |
| (15) at Tiffany's?"                                 |   |
| She said, "I think I remember the film, yes         |   |
| and as I recall, I think, we both kinda liked it."  |   |
| And I said "Well that's the one (16) we've got "    |   |
