Without Me by Eminem

Fill in the gaps

Two trailer park girls go (1)	the outside
Round the outside	
Round the outside	
Two trailer park girls go round the outside	е
Round the outside	
Round the outside	
Guess who's back	
Back again	
Shady's back	
Tell a friend	
Guess who's back	
I've created a monster	
Cuz nobody wants to see Marshall no mo	ore
They want Shady, I'm chopped liver	
Well if you want Shady, this is what I'll gi	ve ya
A little bit of me mixed with some hard lic	luor
Some vodka that'll jump start my heart qu	uicker
Then a shock when I get shocked	
At the hospital by the doctor	
When I'm not co-operating	

When I'm rocking the table while he's operating

Fill in the gaps

SUB inglés
You (2) this long, now stop debating
Cause I'm back, I'm on the rag and ovu-lating
I know that you got a job Ms. Cheney
But your husband's heart problem's complicating
So the FCC won't let me be
Or let me be me, so let me see
They try to shut me down on MTV
But it feels so empty, without me
So, come on and dip, bum on your lips
Jump back, jiggle your hip and wiggle a bit
And get ready, cause this is about to get heavy
I just settled all my lawsuits, **** you Debbie!
Now this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
I said this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
Little Hellions
Kids feelin rebellious
Embarrassed their parents still listen to Elvis
They start feeling like prisoners helpless
'Til someone comes along on a mission and yells BITCH!!!
A visionary, vision of scary
Could start a revolution, pollutin the airwaves
A rebel

So just let me (3)_____ and bask in the fact

That I got everyone kissin my ass

And it's a disaster, such a catastrophe
For you to see so damn much of my ass
You asked for me?
Well I'm back, na-na-na-na
Fix your bent antenna tune it in and then I'm gonna
Enter in, endin up under (4) skin like a splinter
The center of attention, back for the winter
I'm interesting, the best thing since wrestling
Infesting in your kid's ears and nesting
Testing, attention please
Feel the tension, soon as someone mentions me
Here's my ten cents, my two cents is free
A nuisance, who sent? You sent for me?
Now this (5) like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
I said this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
A tisk it a task it, I'll go tit for tat with
Anybody who's talkin this shit, that shit
Chris Kirkpatrick, you can get your ass kicked
Worse than them little Limp Bizkit bastards
And Moby? You can get stomped by Obie
You thirty-six year old boy stay un'mo'
You don't know me, you're too old, let go

It's over, nobody listen to technno

Now let's go

Fill in the gaps

Fill in the gaps

Just give me the signal,

I'll be there with a whole list
Full of new insults
I been dope, suspenseful with a pencil
Ever since Prince (6) himself into a symbol
But sometimes man it just seems
Everybody (7) wants to discuss me
So this must mean I'm dis-gus-ting
But it's just me, I'm just obscene
No I'm not the first king of controversy
I am the worst (8) since (9) Presley
To do black music so selfishly
And used it to get myself wealthy
(Hey!) There's a concept that works
Twenty million other white rappers emerge
But no matter how many fish in the sea
It'd be so empty, without me
Now this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
I said this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy

Cause it feels so empty, without me
