

Hope remains

Fill in the gaps

Yesterday I died, tomorrow's bleeding	And this war's not over
Fall into your sunlight	Theres a light
The future's (1) wide (2) believing	Theres the sun
To know why hope dies	Taking all the shattered ones
Losing what was found, a world so hollow	To the place we belong
Suspended in a compromise	And his love will conquer
The silence of (3) sound is soon to follow	And I've lost who I am
Somehow sundown	And I can't understand
And finding answers	Why my heart is so broken
Is forgetting all of the questions we call home	Rejecting your love
Passing the graves of the unknown	Without (13) (14) wrong
As (4) clouds my eyes, with splendor fading	Life less words
Illusions of the sunlight	Carry on
And the reflection of a lie will (5) me waiting	But I know
Love (6) for so long	All I know
This day's ending	Is that the ends beginning
Is the proof of time (7) all the faith I know	Who I am from the start
Knowing that faith is all I hold	Take me (15) to my heart
And Ive (8) who I am	Let me go
And I can't understand	And I (16) run
Why my heart is so broken	I (17) not be silenced
Rejecting your love	All this (18) (19) in vain
Without (9) gone wrong	Wasted years
Life (10) words	Wasted gain
Carry on	All is lost
But I know	Hope remains
All I know	And (20) war's not over
Is that the ends beginning	Theres a light
Who I am from the start	Theres the sun
Take me home to my heart	Taking all the shattered ones
Let me go	To the place we belong
And I will run	And his love will conquer all
will not be silenced	Yes his (21) will (22) a
All (11) time (12) in vain	Yesterday I died, tommorrows bleeding
Wasted years	Fall (23) your sunlight
Wasted gain	
All is lost
