Shattered by Trading Yesterday

Hope remains

Yesterday I died, tomorrow's bleeding	And this war's not over
Fall into your sunlight	Theres a light
The future's open wide beyond believing	Theres the sun
To (1) why (2) dies	Taking all the shattered ones
Losing what was found, a world so hollow	To the place we belong
Suspended in a compromise	And his love will conquer
The silence of this sound is soon to follow	And I've lost who I am
Somehow sundown	And I can't understand
And (3) answers	Why my heart is so broken
Is forgetting all of the questions we call home	Rejecting your love
Passing the graves of the unknown	Without love (8) wrong
As reason clouds my eyes, with splendor fading	Life less words
Illusions of the sunlight	Carry on
And the reflection of a lie will (4) me waiting	But I know
Love gone for so long	All I know
This day's ending	Is that the ends beginning
Is the proof of time (5) all the faith I know	Who I am from the start
Knowing that faith is all I hold	Take me home to my heart
And Ive lost who I am	Let me go
And I can't understand	And I will run
Why my heart is so broken	I will not be silenced
Rejecting your love	All this (9) spent in vain
Without love gone wrong	Wasted years
Life less words	Wasted gain
Carry on	All is lost
But I know	Hope remains
All I know	And this war's not over
Is (6) the ends beginning	Theres a light
Who I am from the start	Theres the sun
Take me home to my heart	Taking all the shattered ones
Let me go	To the place we belong
And I will run	And his love will conquer all
I will not be silenced	Yes his love (10) conquer all
All this time (7) in vain	Yesterday I died, tommorrows bleeding
Wasted years	Fall into your sunlight
Wasted gain	
All is lost
