

It can happen to...

## Fill in the gaps

ve been letting you down, down	Anyone of us, say you will forgive me
Girl I know I've been such a fool	Anyone can fail
Giving in to temptation	Say you will believe me
When I should've played it cool	I can't take my heart will break
The (1) got out of hand	'Cause I made a stupid mistake
hope you understand	A stupid mistake
t can (2) to	A stupid mistake
Anyone of us, anyone you think of	She means nothing to me
Anyone can fall	Nothing to me
Anyone can (3) someone they love	I swear every word is true
Hearts will break	Don't wanna lose you
Cause I made a (4) mistake	The (6) got out of hand
t can happen to	I hope you understand
Anyone of us, say you will forgive me	It can happen to
Anyone can fail	Anyone of us, anyone you think of
Say you will (5) me	Anyone can fall
can't take my heart will break	Anyone can hurt someone they love
Cause I made a stupid mistake	Hearts will break
A stupid mistake	'Cause I made a stupid mistake
She was kind of exciting	It can happen to
A little crazy I should've known	Anyone of us, say you will forgive me
She must have altered my senses	Anyone can fail
Cause I offered to walk her home	Say you will believe me
The situation got out of hand	I can't take my (7) will break
hope you understand	'Cause I made a (8) mistake
t can happen to	Anyone can fall
Anyone of us, anyone you think of	Anyone can hurt someone they love
Anyone can fall	Hearts (9) break
Anyone can hurt someone they love	'Cause I made a stupid mistake
Hearts will break	A stupid mistake
Cause I made a stupid mistake
