## Get Outta My Way by Kylie Minogue

## Fill in the gaps

What's the worst thing that could happen to you	See me with him and its turning you on it's got me saying
Take a chance (1) and try something new	Ain't getting me back at the end of this song
You're getting boring you're oh so boring	Get outta my way
And I don't recognize the zombie you've turned into	Get outta my way
Don't worry cause tonight I got you	Got no more to say
You can (2) a seat do what you normally do	He's taken your place
I'm about to let you see	Get outta my way, way
This is what'll happen	Outta my way
If you ain't giving your girl what she needs	Got no more to say
Leave you move on	He's taken your place
To a perfect stranger	Get outta my way
You talk I walk	No I aint (7) home cause I wanna stay
Wanna feel the danger	But I wont be alone no how no way
See me with him and its turning you on it's got me saying	Now I showed you what I'm made of (made of)
Ain't getting me back at the end of this song	This is what'll happen
Get (3) my way	If you ain't giving your girl what she needs
Get (4) my way	Leave you Move on
Got no more to say	To a perfect stranger
He's taken your place	You talk I walk
Get outta my way, way	Wanna feel the danger
Outta my way	See me with him and its turning you on it's got me saying
