

Fill in the gaps

Ben, the two of us need (1) no more	Now it's "us", now it's "we"
We (2) found what we (3) looking for	(I used to say, "I" and "me")
With a (4) to (5) my own	(Now it's "us", now it's "we")
I'll never be alone	Ben, most people (7) (8) you away
And you my friend will see	I don't (9) to a word they say
You've got a friend in me	They don't see you as I do
(You've got a friend in me)	I (10) they would try to
Ben, you're always running here and there	I'm sure they'd think again
(Here and there)	If they had a friend like Ben
You (6) you're not wanted anywhere (anywhere)	(A friend)
If you ever look behind	Like Ben
And don't like what you find	(Like Ben)
There's something you should know	Like Ben
You've got a place to go	
(You've got a place to go)	
I used to say, "I" and "me"
