I Don't Want To Live Without You by Foreigner

I find myself in a strange situation	I'm longing for the time
And I (1) know how	I'm longing for the day
What seemed to be an infatuation	When (6) be giving you this (7)
Is so different now	of mine
I can't get by if we're not together	Believe me when I say
Oh can't you see	I (8) want to live without you
Girl, I want you now and forever	I don't want to live without you
Close to me	I could never live without you
I'm longing for the time	Live without your love
I'm longing for the day	No I don't want to live without you
Hoping that you will promise to be mine	I don't live without you
And never go away	I (9) never be without you
I don't (2) to live without you	Be without (10) love
I (3) want to live without you	I don't want to live without you
I could (4) live without you	Live without your love
Live without your love (oh)	Live without your love
I ask myself but there's no explanation	You see I'm lost without your love
For the way I feel	
I know I've (5) the right destination
