

Fill in the gaps

Dance Of Death (Live) by Iron Maiden

	Below my undead body
Let me tell you a story to chill the bones	Just danced the circle of dead
About a thing that I saw	Until the time came to reunite us both
One night wandering in the everglades	My spirit came back down to me
I'd one drink but no more	I didn't know if I was alive or dead
I was rambling, enjoying the (1) moonlight	As the others all joined in (7) me
Gazing up at the stars	By luck then a skirmish started
Not aware of a presence so near to me	And took the attention away from me
Watching my every move	When they took their gaze from me
Feeling scared and I fell to my knees	Was the moment that I fled
As something rushed me from the trees	I ran like hell faster than the wind
Took me to an unholy place	But behind I did not glance
And that is where I fell from grace	One thing that I did not dare
Then (2) summoned me over to join in with them	Was to (8) just straight ahead
To the dance of the dead	When you know (9) your time has come around
Into the circle of fire I followed them	You know you'll be prepared for it
Into the middle I was led	Say your last goodbyes to everyone
As if time had stopped still I was (3) with fear	Drink and say a prayer for it
But still I wanted to go	When you're lying in (10) sleep
And the blaze of the fire did no hurt (4) me	When you're lying in your bed
As I walked onto the coals	And you wake from your dreams to go dancing with the dead
And I felt I was in a trance	When you're lying in your sleep
And my spirit was (5) from me	When you're lying in your bed
And if only someone had the chance	And you wake from your dreams to go dancing with the dead
To witness what happened to me	To this day I guess I'll never know
And I danced and I pranced and I sang with them	Just why they let me go
All had death in their eyes	But I'll never go dancing no more
Lifeless figures they were undead all of them	'Til I dance with the dead
They had (6) from hell	
As I danced with the dead	
My free spirit was laughing and howling down at me
