## Fill in the gaps

## Back For Good (Live) by Take That

I guess now it's time	You'll be right and understood
For me to give up	(Want you back, want you back)
I feel it's time	I want you back for good
Got a (1) of you beside me	And we'll be together
Got your lipstick mark still on your coffee cup	This time is forever
(Oh yeah)	We'll be fighting and forever we will be
Got a fist of pure emotion	So complete in our love
Got a (2) of shattered dreams	We will never be uncovered again
Gotta leave it, gotta leave it all behind now	
Whatever I said, whatever I did I didn't mean it	Whatever I said, whatever I did I didn't (7) it
I just want you back for good	I just (8) you back for good
(Want you back, want you back, (3) you back for	(Want you back, want you back)
good)	Oh want you back for good
Whenever I'm wrong just (4) me the song and I'll	Whenever I'm wrong just tell me the song and I'll sing it
sing it	You'll be right and understood
You'll be right and understood	(Want you back, want you back)
(Want you back, want you back)	Oh I want you back for good
I want you back for good	Whenever I'm wrong, I'll tell you
Unaware but underlined	I want you back
I figured out this story	I (9) you back
It wasn't good	I want you back for good
But in the corner of my mind	Whenever I'm wrong, I'll tell you
I celebrated glory	I want you back
But that was not to be	I want you back
In the twist of separation you excelled in being free	I (10) you back for good
Can't you find a little room inside for me	(Oh yeah)
Whatever I said, whatever I did I didn't mean it	I guess now it's time you can back for good
I just want you back for good	
(Want you back, want you back)	
I (5) you back for good	
Whenever I'm wrong just tell me the (6) and I'll sing	
it
